

مدرسة الآفاق الحديثة ذ.م.م. NEW HORIZON SCHOOL W.L.L.

Inclusion Policy

Introduction:

New Horizon School is a school that serves a diverse group of students, including those with special needs, in the CBSE curriculum. We are committed to creating an environment of inclusion in which all students have the opportunity to achieve their full potential. This policy outlines our commitment to creating an inclusive environment and our approach to providing support to students with special needs.

Policy Statement:

New Horizon School is committed to providing an inclusive learning environment that is accessible to all students, including those with special needs. Our goal is to create a community that celebrates diversity, promotes respect, and fosters mutual understanding among students, staff, and families.

We believe that all students have the right to learn and grow in an environment that supports their individual needs and abilities. We acknowledge that students with special needs may require additional support to thrive in the academic, social, and emotional aspects of their education.

Our approach to inclusion is guided by the following principles:

1. **Collaboration:** We believe in working collaboratively with families and outside agencies to identify and address the individual needs of our students.
2. **Accessibility:** We will work to ensure that all students have equal access to school facilities, programs, and activities.
3. **Individualized Instruction:** We recognize that each student has unique learning needs and abilities, and we will provide individualized instruction and accommodations to meet those needs.
4. **Respect and Dignity:** We will treat all students with respect, dignity, and fairness, ensuring that they feel valued and welcomed in our school community.
5. **Positive Reinforcement:** We firmly believe that positive reinforcement is the key to successful learning and will provide our students with a conducive environment to learn and grow.
6. **Professional Development:** We are committed to providing our staff with ongoing professional development opportunities to enhance their knowledge and skills in providing support to students with special needs.

Implementation:

To implement our inclusion policy, we will undertake the following:

1. Curriculum Adaptation: We will adapt the CBSE curriculum and teaching strategies to meet the individual needs of our students.
2. Technology: We will invest in technology to support the individual needs of our students, including assistive technology, communication aids, and technology-based learning tools.
3. Training and Support: We will provide training and support to our staff and teachers to enhance their ability to support students with special needs.
4. Community Engagement: We will engage with families, outside agencies, and the wider community to build collaborative partnerships that support the individual needs of our students.

Conclusion:

At New Horizon School, we are dedicated to creating an inclusive learning environment that celebrates diversity and fosters an atmosphere that is respectful and empathetic towards our students with special needs. We acknowledge that this policy is the foundation of our commitment to inclusion and that it may require revision to ensure that it remains up to date and current with best practices.
